## BUICK CLUB OF AMERICA

Volume XXX, No.5 June 2011

### Member Spotlight by Steve Dodson

#### Spotlight on Mike Lotz

This month's "Member Spotlight" focuses on Mike Lotz. Mike currently owns four Buicks: a 1926 sedan, a 1938 Special, a 1942 Model 47A, and a 1950 Sedan. He also owns a 1950 Cadillac, a 1962 Chevy Corvair Convertible and a 1916 Maxwell. All these cars are owned by a man who started collecting old cars just four and a half years ago! Consider what his stable will look like 20 years from now!!

When asked which was his all time favorite car, Mike said it was his 1926 Buick. The reason being that the 1926 Sedan is a very unique car and is his oldest driver.

Mike joined the Gateway Chapter Club 4 ½ years ago when he bought his first old car.

Mike's hobbies are many: boating, hunting, and flying (yes, as in air plane). Mike sold his air plane 4 ½ years ago and started buying old cars. Keeps him closer to the ground! Also Mike enjoys wood and steel working. And I guess you could call it a hobby (a lot of us do): learning to restore old cars.
